Consent for Participation

As the parent or legal guardian of the student, I give permission for my child to attend the Released Time Bible Education class provided by the Council of Religious Education (CORE). Sidney City Schools, with parent/guardian permission, allows students to attend CORE's Bible Education classes during the time designated for their weekly library class. The student's teacher may allow the student to visit the library at other times.

CORE teachers have been PAX trained and follow the same expectations that the Sidney City Schools district follows. As the parent or guardian, I understand that I can remove my child from the program at any time with written notice.

Contact Information

Personal information held by the school system regarding students is not shared with CORE staff due to confidentiality. Parents or guardians should provide any information about the child that could help CORE staff work effectively with the child, including food allergies or medical concerns, etc.
